PMR446 FM TRANSCEIVER

DJ-PN446

*2 micro-sized radios in one package
at an affordable price!*

All accessories
are included!

Actual size

This new UHF PMR446 transceiver packs a lot of performance into an ultra-compact body. The DJ-PN446 features an internal speaker with a tiny antenna where portability comes first. Capable of operating all PMR446 channels with full legal output, it is perfect for any application where instant short-range communications are necessary; keep in touch around the house, outdoor activities, small business...where you need to talk to someone nearby but without a loud voice, the DJ-PN446 is a brilliant cost-effective Social-Distancing solution.
